METALCO

**for quality, service and economy
in all phases of the architectural aluminum field.**

Specify Metalco for

**ALUMINUM DOORS & FRAMES
WINDOW & CURTAIN WALLS**

**STORE FRONTS
MARQUEES, FACIAS, SPECIALTIES**

ENTRANCE DOORS: Available in narrow or wide stile with 3/16" min. wall thickness, mitred & welded construction, interlocking snap on glass stops. Adaptable to complete line of standard or specialty hardware items.

ENTRANCE FRAMES: Factory-fabricated, rigid extruded tubular construction, features flush glazing, concealed fastenings, eye appealing narrow lines, reduced maintenance.

STORE FRONT MATERIALS: Extruded shapes for every need—allowing exact color match after aluminizing.

SALES OFFICES: Los Angeles, Portland, Denver, Chicago, Detroit, Milwaukee, St. Paul, Indianapolis, Phoenix.
